

Guess and Measure

Directions

For each object listed below, make a guess of how many of your feet long the object will be. Then, measure it and write the actual length in the space provided. Do not change your estimate!

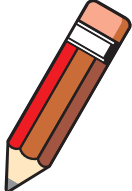

| Object | Estimate | Actual |
|---|----------------------|----------------------|
|  | <p>_____ my feet</p> | <p>_____ my feet</p> |
|  | <p>_____ my feet</p> | <p>_____ my feet</p> |
|  | <p>_____ my feet</p> | <p>_____ my feet</p> |

Name _____

Guess and Measure

Directions
