

Migration Map Worksheet

Topic: United States Studies—American Indians

Essential Question: How did the westward expansion affect the American Indians/Alaskan natives?

Use a 12" x 18" piece of paper. Cut out the map of the United States. Glue it in the center of the paper. Put your name on the paper. Draw lines or use string or yarn to connect to the squares of information about each tribe you research. A sample square is provided. Indicate where the tribes are located in the United States by connecting them to that area with lines or string.
