

Indians of North America

Essential Question 6: How did the loss of land affect the American Indians?

Standard(s): 6050-02 Students trace the development and expansion of the United States through the 19th century.

Objective: 6050-0203 Analyze expansion of the United States from the Civil War to 1900.

Describe the impact of expansion on the American Indians; e.g., loss of land, confinement to reservations, changes in lifestyle.
