

Essential Question 6: How did the loss of land affect the American Indians?

Topic: United States Studies—American Indians

Standard(s): 6050-02 Students trace the development and expansion of the United States through the 19th century

- Objective: 6050-0203 Analyze expansion of the United States from the Civil War to 1900.
 - Describe the impact of expansion on the American Indians; e.g., loss of land, confinement to reservations, changes in lifestyle.
-

Choose a project to express what you have learned from reading the trade book:

1. American Indian Village – Simulate an Indian village, or show a simulation of different tribes. You can use this website to help you in your research: www.ebuildingconnections.com
2. Report – Write a report explaining the major themes of the book.
3. Presentation – Develop a computer presentation of information to present to the class.
4. Map – Create a map or other graphic representation of the book.
5. Timeline – Develop a timeline of events from the book.
6. Oral Presentation – Prepare a 3-5 minute presentation that informs others about the book.
7. Music or Art – Create either a song or artwork (beaded rings, weaving, carding wool, research on natural dyes, etc.) to tell part of the story.

I would like to do number _____ from the list above for my student project.

Student Signature: _____

Date Due: _____

Parent Signature: _____
