

Panel Interview

While researching your historical person seek to answer the following questions. Then present this information to the group.

Please introduce yourselves and then answer the following questions.

1. How did you feel as other groups of people came to your homeland?
2. How did the settlers who came treat you?
3. How did you treat them?
4. What did you and the settlers have in common?
5. What were your differences?
6. Were the old ways better? Why or why not?
7. How did modernization help your people?
8. How did modernization hurt your people?
9. How did being put on the reservation change your life?
10. If you were to create a world of your choosing, with the best of the past and present, what would it be like?
