

WORLD HUNGER REPORT

Names of student or unit members: Period _____ Assign #

Each student or group members will report on an assigned country. If working in a group, each group member will have 1-2 minutes report time on his/her portion of the assignment. The following items should be included in the report.

COUNTRY

YOUR CLASS PRESENTATION WILL BE ON:

- COUNTRY:** Give an overview about the population, economics, agriculture, terrain, exports, imports. Familiarize the class with the country.
- MAP:** Display a map of the country big enough for the class to see.
- HUNGER:** Explain the reasons for hunger in the country. (National catastrophe, drought, over-population, lack of education, etc.) Picture can be used.
- FOOD:** Describe the diet of the people. Give three to five of the main foods that are eaten daily: a typical diet, foods used to celebrate, and other traditional food information.
- FOOD SAMPLES:** Find a typical recipe used in the country. Prepare the recipe with enough samples for all students in the class to taste. If possible prepare food that the average person in the country could afford or would use.
