

WORKSHEET

TRANSPORTATION: UTAH'S PAST, UTAH'S PRESENT, UTAH'S FUTURE

Utah's Past

Use historic photographs, research, etc. to describe or sketch transportation systems and vehicles from Utah's past.

Utah's Present

Use observation and personal experience to describe or sketch transportation systems and vehicles presently available in your community.

Utah's Future

Use what you have learned and your imagination to describe or sketch transportation systems and vehicles that might be available to Utahns of the future.
