

GO LADYBUG GO!

NAME: \_\_\_\_\_

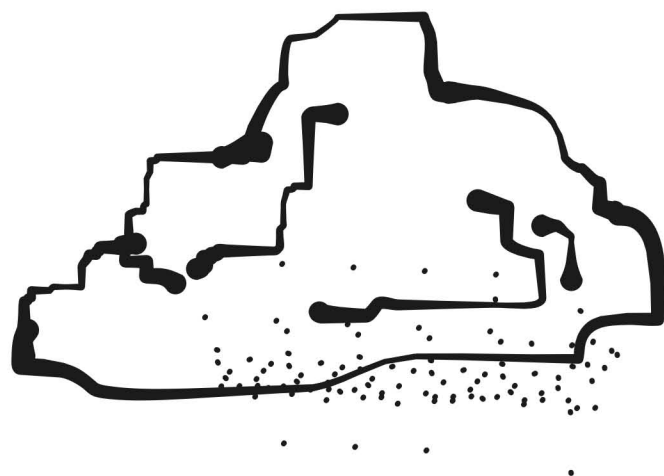

Ladybug lived on a leaf in the corner of the garden. One day, she saw Snail coming toward her home. Ladybug knew she would have to find a new home.

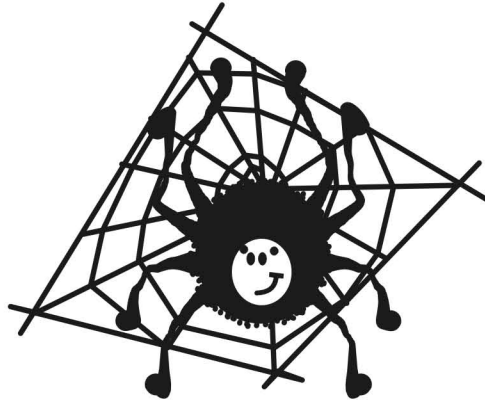

Place leaf here.

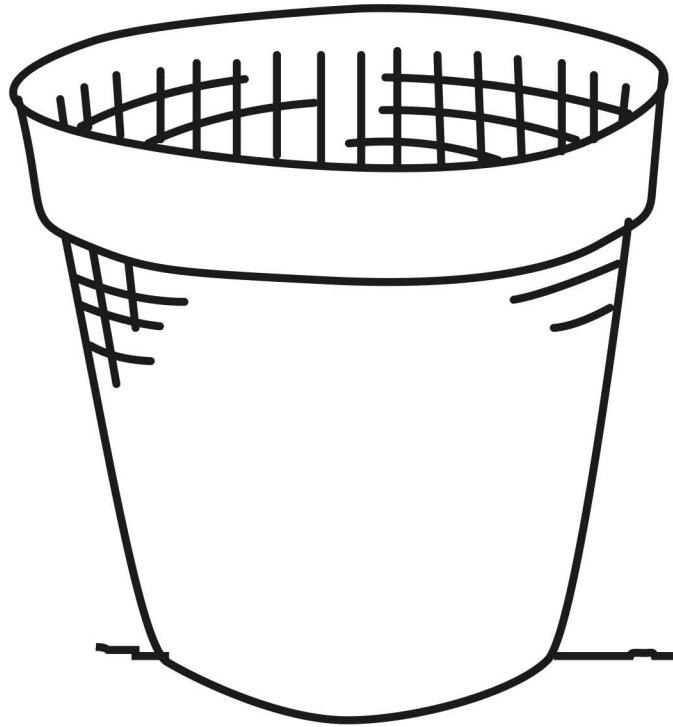

She jumped off the leaf, walked by Snail, and under a rock.

"You can't live here!" said Spider.  
"This is my home."

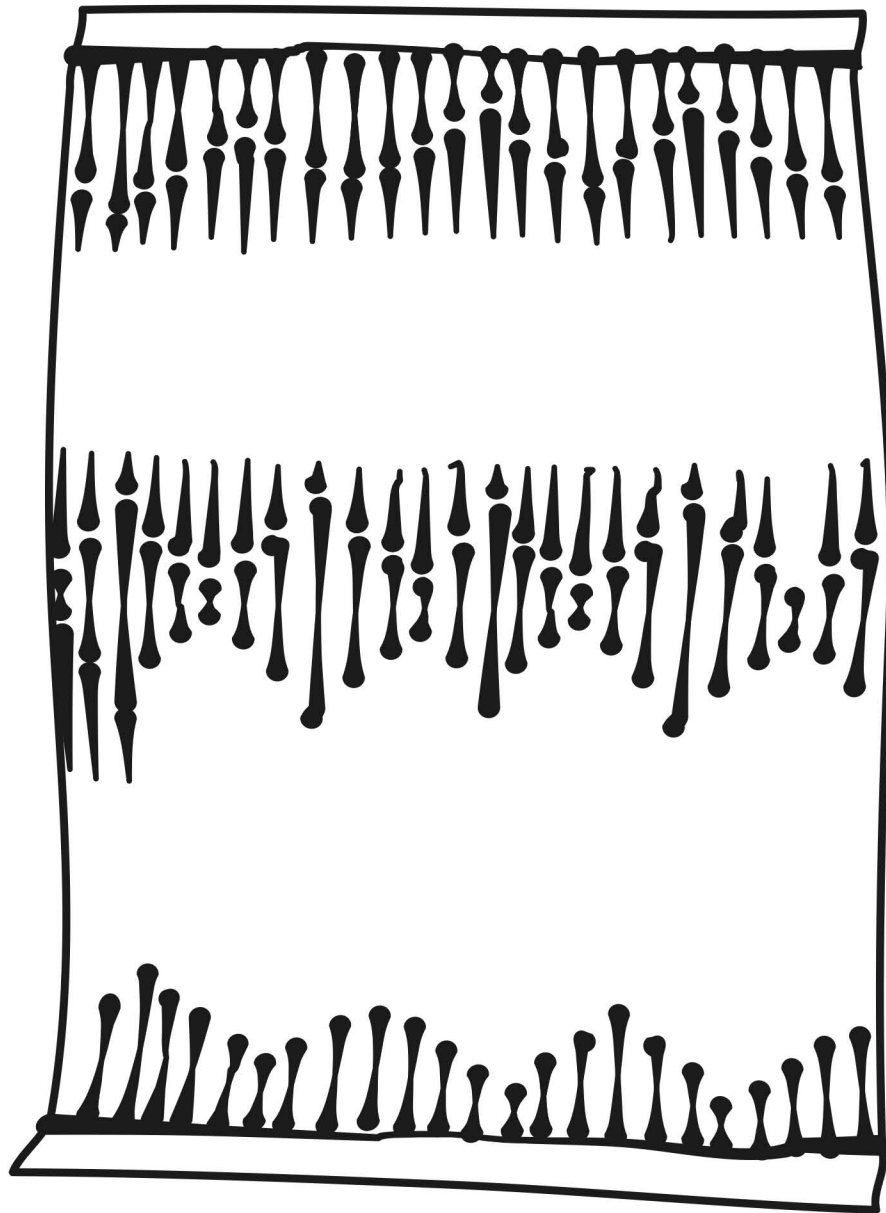

Ladybug walked from the rock into a flower pot.

"Where did you come from?" Yelled Ant.  
"Go away!"

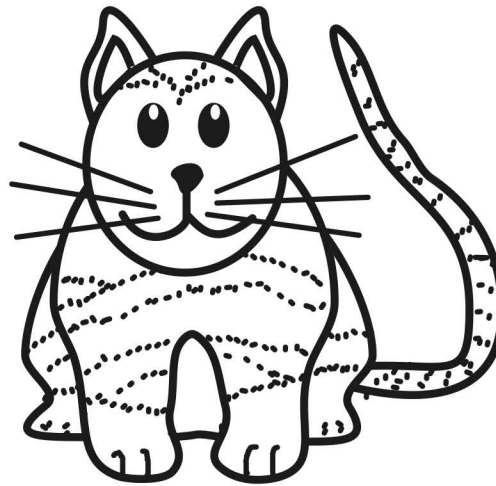

Ladybug walked on and on.  
She found a soft and warm

"Hello," said 2 slugs.

"Do you want to stay in here with us?"

"No," said Ladybug as she flew to some pretty flowers.

Bees were buzzing in the flowers.  
"It is too noisy," said Ladybug.  
I will go back to my nice green leaf.

Ladybug saw Snail. "Your leaf tasted nasty," said Snail.  
"I'm leaving!"

"Hooray!" Yelled Ladybug as she hurried home...

For a nice rest!
