

Square Base Shape

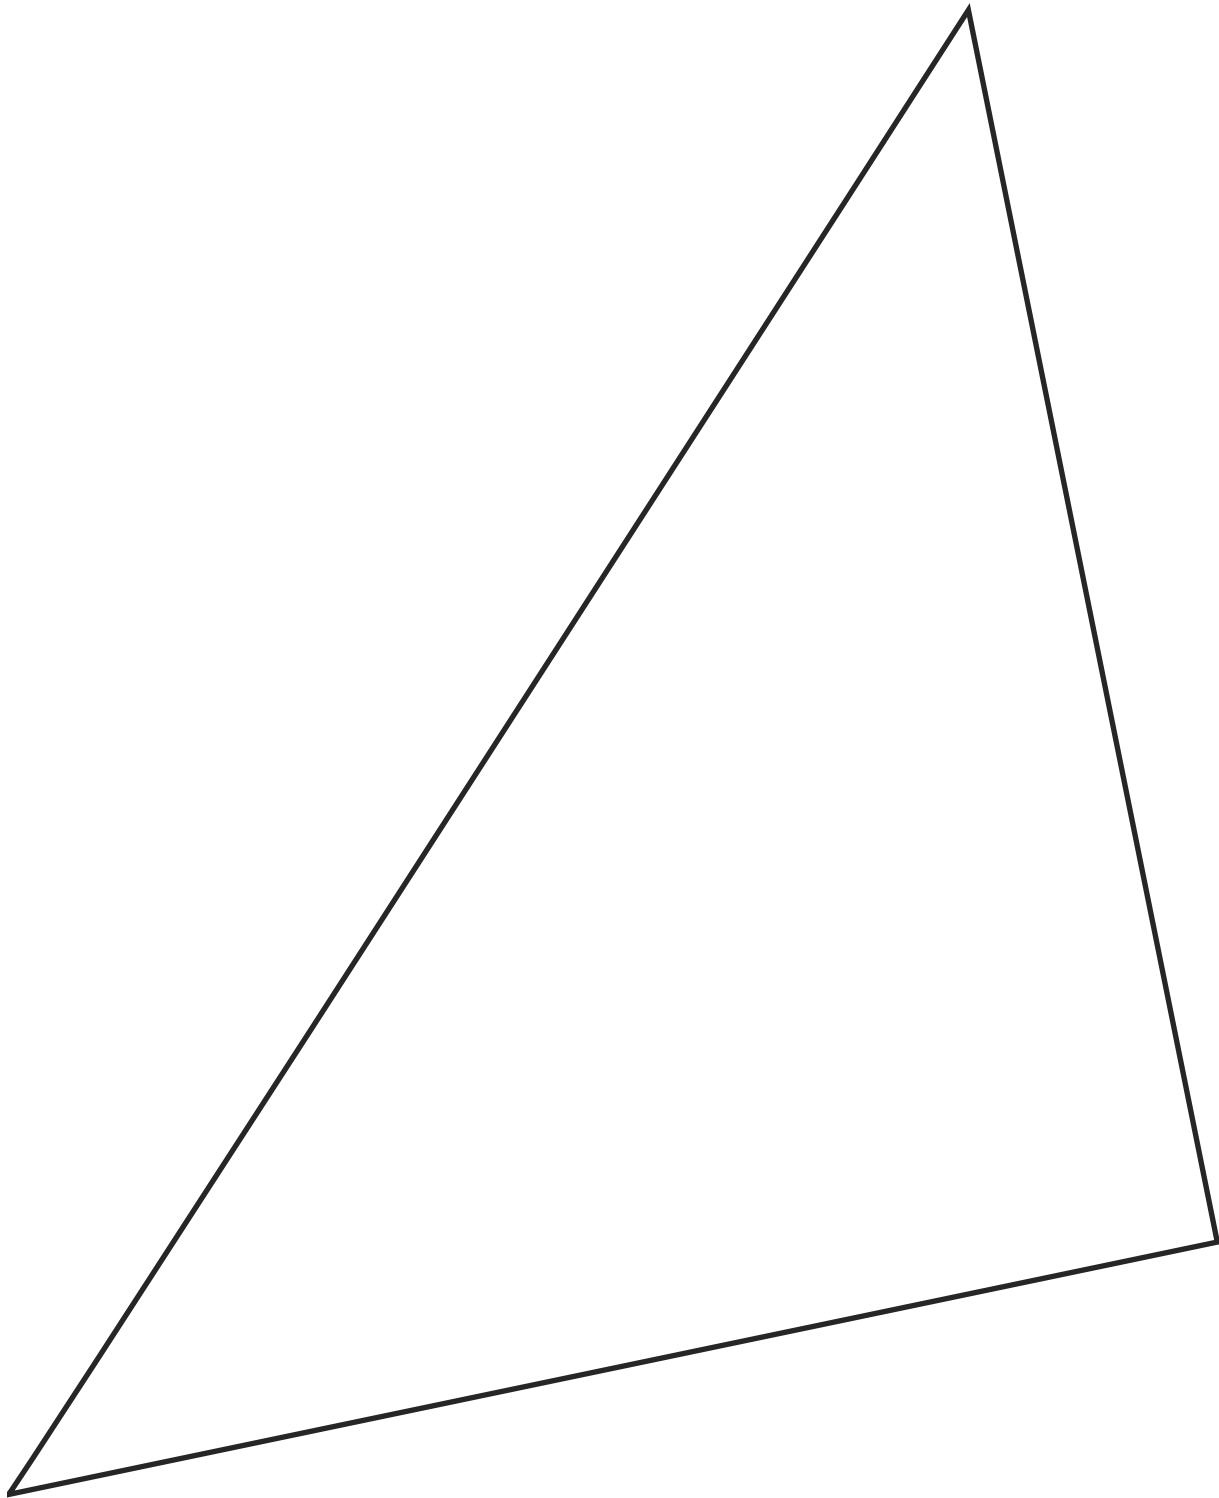

Cut out these 6 pieces carefully. Arrange them to make these 6 shapes:

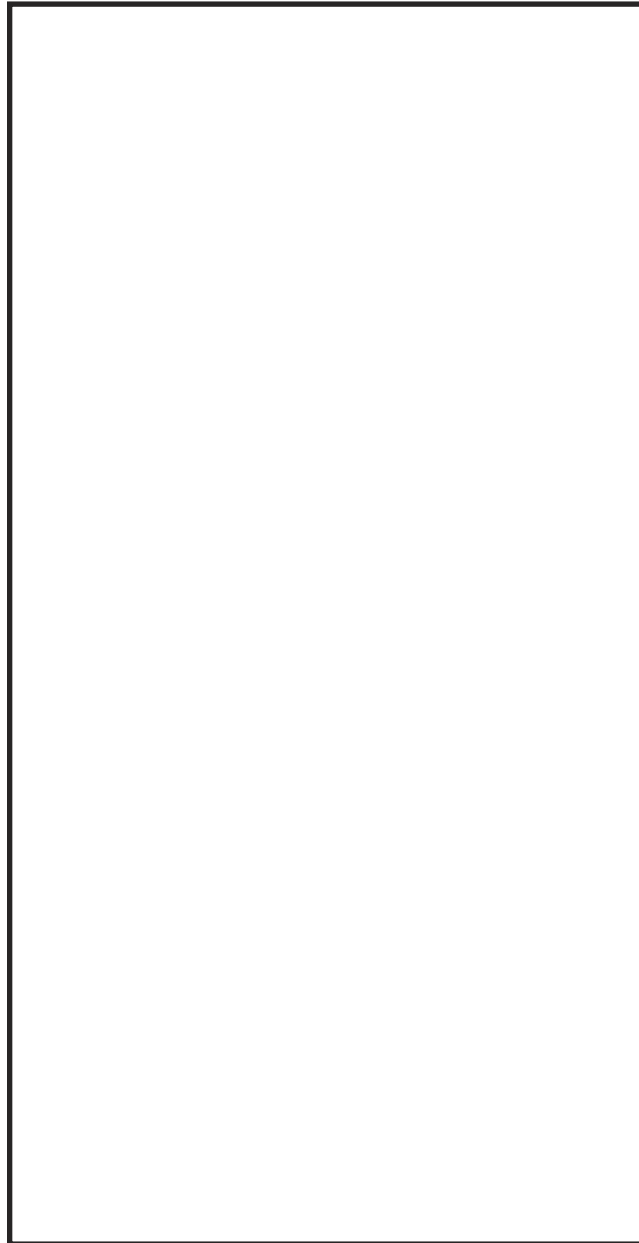

Teacher Directions:

Copy about 6 each of each of the 6 base shapes onto cardstock. (Trace the square for its base shape.) Yellow for one base shape, pink for another, etc. Copy the square solution page with many different colors of cardstock, except the colors that you used for the base shapes. Put each puzzle and its six pieces into a bag. When you pass them out, try to have a variety of base shapes on each table.
