

Picnic Pass

The number and item you are bringing to the picnic.	How many friends are you going to need to share that item with?
---	---

Draw how you are going to divide it.

Each person received _____ pieces of what I brought to the picnic.

Dear Parents,

We have been dividing number in class by 2, 3, 5, and 10. For our math homework we are going to divide 90 M & M's by 2, 3, 5, and 10 and record what our answers are. When you are finished you can eat the M&M's. Thanks for all you do!!

2nd Grade teachers

2 friends received _____ M&M's each

3 friends received _____ M&M's each

5 friends received _____ M&M's each

10 friends received _____ M&M's each
