

THE SCARS OF CHILDHOOD CAN ADD UP TO A LOT OF WEIGHT

Name _____ Period _____ Assign # _____

DIRECTIONS: After reading the selection, answer the following questions about the article and your personal experiences.

1. How did the child in the story feel about herself?
2. What do you think contributed to that feeling?
3. What does food mean to you? How do your feelings about food differ from the feelings held by the child in the article?
4. What values did food have for the child?
5. How are attitudes about food reflected in behavior? Is it possible to control these attitudes?
6. In the child's early life what kind of power struggle developed between the parent and the child?
7. How did this early childhood behavior affect the child in later life?
