

# Physical/Chemical Change Rhyme

**A Physical Change changes how things look,  
Like tearing the pages of a book,  
Or freezing a liquid, like water to ice,  
Or painting a house to make it look nice.**

**A Chemical Change has come to pass  
If you can see a new solid, liquid, or gas.  
The color may change or the energy too.  
A chemical change makes something new.**
