

**A Glimpse of Japanese Society
WHO, WHAT, WHY? ASSIGNMENT**

NAME: _____
PD. #: _____

PART ONE

As the class presents the results from the survey, record what you learn about society in the US and Japan regarding the topics below:

	United States	Japan
Parents		
Education		
Success/Jobs		
Discipline		
Other		

PART TWO

On the other side of this paper, write a paragraph comparing what we learned about Japanese culture and the general culture of the people in this class. What is similar and what is different between the two cultures? Do you think this is an accurate comparison of the two societies in general? Explain your answer.
