

vertical
angles

A diagram showing two intersecting lines forming two opposite angles. The text "vertical angles" is written in blue, bold, italicized font with a drop shadow, positioned between the two angles.

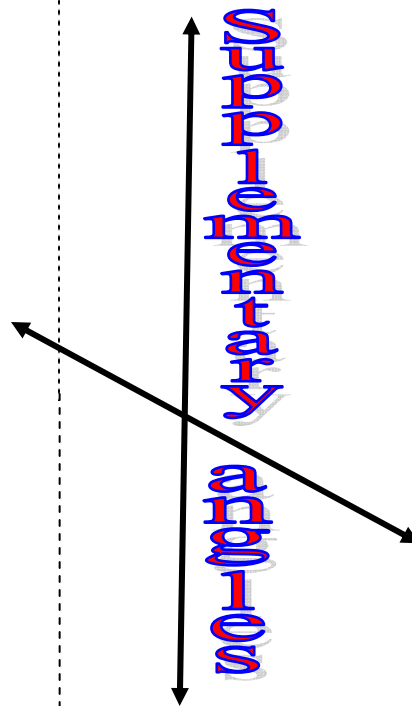

adjacent
angles

A diagram showing two intersecting lines forming two adjacent angles. The text "adjacent angles" is written in yellow, bold, italicized font with a drop shadow, positioned between the two angles.

supplementary
angles

A diagram showing a straight line with a ray extending from one end, forming two adjacent angles that sum to a straight line. The text "supplementary angles" is written in orange, bold, italicized font with a drop shadow, positioned between the two angles.

vertical
angles

A diagram showing two intersecting lines forming two opposite angles. The text "vertical angles" is written in blue, bold, italicized font with a drop shadow, positioned between the two angles.
