

## Classifying Angles Song

(to the of Skip To My Lou. Lyrics by Linda Bolin)  
Use arms to show each as the verse is sung.

I'm a little angle. I like me like that.  
An ACUTE little angle, and I'm not fat.  
I'm an alligators mouth or a witches hat.  
I'm ACUTE. I'm less than 90.

I'm a RIGHT angle, and I look square.  
Look for a corner, and I'll be there.  
I'm a flag or a present. I'm everywhere.  
I'm just RIGHT. I'm exactly 90.

I'm rather large, so I have pride.  
I'm an OBTUSE angle. I'm big inside.  
I'm a reclining chair or a door open wide.  
I'm OBTUSE. I am more than 90.
