

Measurement Vocabulary Sorting

Sort these words into at least three categories according to their meaning. You must use every word in the table. Below the table, write the words for each category in a list, and explain the rule for each of your categories.

Inch	Ounce	Centimeter	Cup
Quart	Foot	Pound	Degree
Milligram	Yard	Kilometer	Pint
Ruler	Liter	Mile	Decimeter
Gram	Meter	Weight	Capacity
Metric	Customary	Length or distance	Unit
Milliliter	Kilogram	Ton	Scales
