

## **THINGS GIRLS DO THAT DRIVE GUYS CRAZY**

When asked to list the things that drove guys absolutely crazy about girls, junior high and high school guys came up with this list of the top offenses. Stay calm girls--your turn is coming! Awards are:

### **"Entertainment Tonight" Award**

Girls who don't say a word, or make a suggestion about what to do all evening, and then complain the date was boring. They expect us to be Tom Cruise, Mr. Intellectual and Pauley Shore all in one.

### **"Heard It Through the Grapevine" Award**

Girl grapevines. You mention a certain girl to one of her friends, and the next thing you know everyone is talking about the two of you "going together".

### **"Bag Lady of the West" Award**

Girls that dress in styles so weird, you aren't sure what she is! Strange nail polish and overdone make up, or hairstyles that are bigger than she is are all on the weird list!

### **"Now you see it, Now you Better Not Look" Award**

Girls that wear see through or skimpy clothes that show a lot, and then think you're a pervert if you stare at them! If they don't want you to look at it why are they showing it?

### **"This is Boring.." Award**

This award goes to the girls who have great figures but who can't stop talking about how fat they are, and planning a reducing diet! Give me a break!

### **"The Wedding Belle" Award**

This is the girl who assumes you're madly in love with her when all you're doing is being friendly. She's got the wedding planned and all you did was ask about some math homework.

### **"The Princess" Award**

Girls who go out with a guy over and over, and never offer to help with anything or pay for anything, and they always order the most expensive item on the menu.

### **"Double-Dud" Award**

This is reserved for the girls who go out on double dates, then talk and giggle only to each other all evening. If guys did that they'd have a fit.

### **"Desert Stormers" Award**

These are the girls that act like military commanders and try to make over your personality and/or your wardrobe! Like me for who I am, not what you WANT me to be when you get finished with me.

### **"I Am SOOO Cool..." Award**

This award goes to the girls who talk about themselves nonstop, but when I try to talk about something I am interested in, they look out the window and yawn.

### **"The Get-a-Clue" Award**

This girl won't take a hint that you're not interested--no matter what you do. Clue in, it's hard on everyone when one person hangs on when there is NO hope for romance.

### **"Tear-Jerkers" Award**

This goes to girls who cry to get their way or to win an argument.

### **"Date Wait" Award**

This is for the girl who's never ready when you go to get her and you have to visit with her parents for half an hour.

### **"Megaphone" Award**

This is for girls who talk too loud, giggle, and say dumb things.

### **"Please Stay Down-Wind" Award**

This is for the girl who uses too much perfume to try to cover-up offensive odors (e.g., B.O., cigarette smoke, etc.).

### **"Dumb Blonde" Award**

This is for girls who aren't stupid at all, but act that way to be funny or impress boys.

### **"Going in a Group" Award**

This is for girls who have to go to the bathroom in groups.

### **"Primping" Award**

Goes to girls who spend the whole time combing their hair and looking in the mirror.

## **THINGS GUYS DO THAT DRIVE GIRLS CRAZY**

After interviewing many junior high and high school girls, the list of behaviors that drove them absolutely crazy was just as long as the guys! Now it's your turn, girls, to let guys know just how you feel. Awards were issued for the following:

### **"Let This Call" Wait**

This award goes to the guys who use bad phone manners (such as eating or chewing gum loudly in your ear, or putting you on hold for hours, or watching TV or talking to friends instead of you), that you wish you had missed the call.

### **"Low-Life" Award**

This is especially designed for the guy who calls and asks you if you have a date for the dance. You say, "No, but I'd really like to go." He says, "Good, my cousin can't get a date and I can't go unless he finds one."

### **"Obsessive-Possessive" Award**

Guys who think every guy is out to hustle you. They act paranoid if you even talk to another guy, even if he is just a friend.

### **"Move Into the 90's, Please" Award**

Girls hate being called old sexist names like Chick, Babe, Yo' good lookin', Sweetcakes, Hot Stuff, or the name of the guy's ex-girlfriend. These suggest a male dominance that doesn't make it in the 90's.

### **"Mr. Un-original" Award**

Guys who can't think of anything original to say to a girl, so they rely on "Don't I know you from somewhere?" "Can I go where you're going?" "Wanna Party?" "You have the most incredible eyes I've ever seen". Get with it guys!

### **"Be Mine-Servant, That Is" Award**

Goes to the guy who says things like, "Do my homework," "Get me a drink, oh and while your up, you can make me a sandwich." Please! If you just want a maid, hire one!

### **"The Soap In Your Mouth" Award**

This award is for guys that think girls think it is cool or macho to use obscene or offensive language. Most the time it just lets others know you can't express yourself in a more intelligent way. Get with it!

### **"Huh? What?" Award**

This goes to the guy who is in another world when talking to you on the telephone.

## THINGS GUYS DO THAT DRIVE GIRLS CRAZY - PAGE 2

### **"Blonde-Boy" Award**

Goes to guys who get intimidated around smart girls; it might be based in the old notion that guys need to be smarter and stronger, etc., etc., than their girlfriend. Not these days! Enjoy a girl who is intelligent--it is even OK if you learn a thing or two from her!

### **"Major Nerd" Award**

Goes out to any guy who continues to pressure a girl for sex when she has made it clear that it's not for her. Double goes to guys who sulk after she says no. Be glad she did--are you ready for fatherhood?

### **"Make-Over Jerk" Award**

One of the favorite awards is saved for those guys who tell their dates, "I'd like you better if you were a little thinner" or "Maybe you should do your hair like Charlene, she looks great", "Why don't you dress like Sarah?" Girls say, "Why don't you take a hike!"

### **"Bad Breath" Award**

Guys who smoke after you tell them you'd rather they didn't. Coming home with smokey clothes and hair is not a girl's idea of a great time.

### **"Double Dud" Award**

Goes out to guys who ask girls on a double date and then disappear for two hours at the video game arcade. Remember your date???

### **"Zoo" Award**

Goes to guys who climb all over each other in school when having fun.

### **"10-Point" Award**

Is for the guy who burps in front of you and his friends and then gives himself a score.

### **"Loser" Award**

Is for the guy who can't take losing like a man (especially to a girl).

### **"You Can't, You're a Girl" Award**

For the guy who thinks girls are just wimps and can't do the things guys can.

### **"Hello" Award**

For the guys who call you and then just sit there waiting for you to say something.
