MY PERSONALIZED TEEN LIVING LICENSE PLATE

Directions: This is your chance to design your own "Personalized License Plate". What would you like to put on your future car? Sorry, but "I.M.HOT" and "Crusin'" have already been used. Your assignment is to design an original plate that represents your feelings about being a teenager. (You can use up to seven (7) letters.) Use your imagination for colors, graphics, and words! Of course, they will be clean, wholesome and legal messages. Have fun!
