

Name _____ Period _____ Date _____

T-SHIRT PATTERN

DIRECTIONS: Pretend you are a famous artist or philosopher and have been asked to design a special T-shirt which will be sold in stores all over the United States. The shirt should express how you feel about life and want others to feel. What would your shirt say and/or what kind of design would you put on it? Write and/or draw your pattern on this shirt, but practice first on scrap paper!
