

VALUE CYCLE

Name _____ Period _____ Date _____

VALUE CYCLE

The diagram is a circular flowchart. At the top, the word **CHOICE** is written in large, bold letters, with the phrase **YOU CAN EITHER** underneath it. Two thick, curved arrows point from this top section down to two separate sets of horizontal lines. Each set of lines begins with the label **Ex:**. From the bottom of each set of lines, a thick arrow points down to the word **RESULTS ARE:**. Below each **RESULTS ARE:** label is another set of horizontal lines. Between these two bottom sets of lines, the word **OR** is centered on the left and **AND** is centered on the right. From the bottom of each of these bottom sets of lines, a thick arrow points up to the central vertical line that connects the two bottom sets of lines, which then continues up to the **CHOICE** section at the top.

CHOICE
YOU CAN EITHER
