

Name _____

In my home I found these things that I could push and/or pull.

Push

Pull

A large blue cross-shaped grid for writing. It consists of a vertical line and a horizontal line intersecting at the center. The horizontal line is positioned below the text 'Push' and 'Pull', and the vertical line is positioned to the right of 'Push' and to the left of 'Pull'. The grid is intended for students to list items they can push or pull in their homes.
