

# Fun in the Sun & Shade

## Scribe Recording Sheet

*Before* placing bowls in the sun and shade, complete the starting temperatures of the chart. Complete the ending temperatures after 30 minutes. Use this sheet to share the information with your group, so they can complete their charts.

	STARTING TEMPERATURE OF THE SOIL AND WATER		ENDING TEMPERATURE AFTER 30 MINUTES IN THE SUN		TEMP. DIFFERENCE	
	Temperature °F	Temperature °C	Temperature °F	Temperature °C		
Bowls					° F	° C
Sun - Soil						
Shade - Soil						
Sun - Water						
Shade - Water
