

## Addition Problem Solving Number Bond Cards

<p>Show number bonds for the addition problem:</p> $8 + 6$	<p>Show number bonds for the addition problem:</p> $6 + 4$
<p>Show number bonds for the addition problem:</p> $12 + 6$	<p>Show number bonds for the addition problem:</p> $16 + 4$
<p>Show number bonds for the addition problem:</p> $4 + 12$	<p>Show number bonds for the addition problem:</p> $7 + 13$
<p>Show number bonds for the addition problem:</p> $14 + 6$	<p>Show number bonds for the addition problem:</p> $12 + 3$

## Multiplication Problem Solving Number Bond Cards

<p>Show number bonds and arrays for the multiplication problem:</p> $3 \times 5$	<p>Show number bonds and arrays for the multiplication problem:</p> $6 \times 4$
<p>Show number bonds and arrays for the multiplication problem:</p> $7 \times 3$	<p>Show number bonds and arrays for the multiplication problem:</p> $6 \times 8$
<p>Show number bonds and arrays for the multiplication problem:</p> $5 \times 8$	<p>Show number bonds and arrays for the multiplication problem:</p> $2 \times 7$
<p>Show number bonds and arrays for the multiplication problem:</p> $3 \times 9$	<p>Show number bonds and arrays for the multiplication problem:</p> $6 \times 5$
