
Practice Sheet

Perimeter Prince/Princess

Find the perimeter

1. You will need to find the perimeter of these shapes below in inches and centimeters
2. First you need to be able to describe how to find the perimeter - so tell the others in your group how to find the perimeter
3. You need to estimate what you think the perimeter is going to be of each shape
4. Then find the perimeter of each shape in inches and centimeters
5. When you are finished with the shapes below draw your own and repeat the steps above
