Haven't Met You Yet lyrics

I'm not surprised.
Not everything lasts.
I've broken my heart
so many times
I stopped keeping track.
Talk myself in.
I talk myself out.
I get all worked up,
Then I let myself down.

I tried so very hard
not to lose it.
I came up with
a million excuses.
I thought of every possibility.

And I know someday
that it'll all turn out.
You'll make me work
so we can work to work it out.
And promise you, kid, that I'll give so
much more than I get.
I just haven't met you yet.

I might have to wait.

I'll never give up.
I guess it's half timing,
And the other half's luck.
Wherever you are.
Whenever it's right.
You'll come out of nowhere and into my
life.

And I know that we can
be so amazing.
And baby your love is gonna change
me.
And now I can see
every possibility.

But somehow I know
that it'll all turn out.
And you'll make me work so we can
work to work it out.
And I promise you, kid, I'll give so much
more than I get.
I just haven't met you yet.

They say all's fair
In love and war.
But I won't need to fight it.

We'll get it right and,
We'll be united.

You know it'll all turn out.
And you'll make me work so we can
work to work it out.
And I promise you, kid, to give so much
more than I get.
I just haven't met you yet.

I just haven't met you yet.
Ohh, promise you, kid, to give so much
than I get.
I just haven't met you yet.
