WE ARE THE WORLD Lyrics

There comes a time
When we heed a certain call
When the world must come together
as one

There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on
Pretending day by day
That someone, somewhere will soon
make a change
We are all a part of
A great big family
And the truth, you know love is all we
need

We are the world
We are the children
We are the ones who make a brighter
day

So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

Send them your heart
So they'll know that someone cares
And their lives will be stronger and
free
So we all must lend a helping hand

We are the world
We are the children
We are the ones who make a brighter
day

So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

When you're down and out
There seems no hope at all
But if you just believe
There's no way we can fall
Well, well, well, well, let us realize
That a change will only come
When we stand together as one

We are the world
We are the children
We are the ones who make a brighter
day

So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me
