## Age Group Activity for Savings

\#1 Put Age Group Titles around the room on white paper, laminate them on poster board, or write them on butcher paper
\#2 Divide students into small groups and have each group brainstorm activities and events that would require savings for their assigned age group.
\#3 Discuss the results of each age group and emphasize that savings needs to be a part of our financial plan no matter what age we are.

Using the following for the age group titles:

$$
\begin{gathered}
\text { High School: } \\
\text { Ages 13-17 } \\
\text { Young Adult; } \\
\text { Ages 18-24 } \\
\text { Adult with or } \\
\text { without } \\
\text { Children: } \\
\text { Ages 25-34 }
\end{gathered}
$$

$$
\begin{gathered}
\text { Working } \\
\text { Parent or } \\
\text { Adults: } \\
\text { Ages 35-44 } \\
\text { Midlife: ages } \\
45-54
\end{gathered}
$$

## Pre- <br> Retirement: Ages 55-64

 Retired: Ages 65 and over
