

Pretend Marriage

Name _____

Pretend for a moment it is years down the road and you are married. Write a detailed paragraph below of how you think a day in the life of your marriage will be. Make sure to include the following: Duties/responsibilities of both you and your spouse, your feelings about each other, how you treat each other, what you say to one another, and what you expect out of the other person and your marriage.

"Didn't you get my e-mail?"
