ROLES IN A RELATIONSHIP

Divide the class into five small groups. Have each group complete one of the scenarios listed below. Each group should complete the chart on the following page according to their group situation. Discuss each group's decisions as a class.

GROUP 1

The mother teaches pre-school at home. The father works 9-5 in an office.

GROUP 2

The mother is an engineer and travels often. The father stays at home and cares for the children and house.

GROUP 3

Both parents work. The father works 7-3 and the mother works 9-5.

GROUP 4

The mother works nights and the father works part-time days and is a full-time student.

GROUP 5

The mother is a part-time student. The father is a physician who works in an emergency room and is on call most of the time.
