

## BOXES

Have six boxes with lids decorated so the lids can be lifted off in order to see what is inside. They should be wrapped in the following ways:

1. Looks okay on the outside, dictionary on the inside
2. Looks okay outside, cotton balls inside
3. Small box with plain unattractive wrapping, jewels inside
4. Beautifully wrapped box, empty inside
5. Looks nice on the outside, candy bar inside
6. Beautiful box that will not open.

Have six students come to the front of the room and select a box. Have them explain why they chose the box. What type of person does that box represent to them?

Have students share what is inside their boxes. Let them discuss what type of person the box represents to them now.

ITEM IN BOX	TYPE OF PERSON	PERSON'S APPEARANCE
1. Dictionary	Someone smart	Normal appearance
2. Cotton	Air head	Normal appearance
3. Jewels	Beautiful person	Plain looking
4. Empty box	Gorgeous outside, but nothing inside	Beautiful appearance
5. Candy bar	Looks good and is good	Nice looking
6. Box will not open	Beautiful, but will not share self	Beautiful appearance
