

## GROUP DECISION MAKING—KEY

You should complete this activity in three parts. You will have 10 minutes to work on the answers by yourself. The next 10 minutes you will work with your classmates. The final part of this activity to take it home and let your parents help you. Good luck on getting all of the answers!

EXAMPLE: 16 = OinaP      16 ounces in a pound

- |                           |  |
|---------------------------|--|
| A. 4 = QinaG              | 4 quarts in a gallon                   |
| B. 24 = HinaD             | 24 hours in a day                      |
