

## **UTAH PLANT USES – SURVIVOR UTAH**

You are stranded in a remote area of Utah and need to survive on the plants around you. Read the plant uses on the plant identification cards for common plants found in each biome. Pick two of the plants in each biome that you think would most help you survive.

Desert biome:

- 1.
- 2.

Wetland biome:

- 1.
- 2.

Mountain biome:

- 1.
- 2.
