

PROfessional self-evaluation

For this assignment you will be evaluating your accomplishments, mistakes, and goals for a job you have completed (swan apples) and a "job" you are currently in (being enrolled in this class). Be honest, specific, and really take time to reflect and set goals, as this is an important skill in managing your life and future career.

SWAN APPLE ACTIVITY	CLASS EVALUATION
What did you accomplish with this activity?	What have you accomplished in this class?
What were some mistakes you made during this activity?	What are some mistakes you have made in this class?
What are some goals that will help you be more successful next time you do this activity? (Make sure they are SMART goals)	What are some goals that will help you be more successful in this class? (Make sure they are SMART goals)
