

## Goals:

- strengthen function of family as basic unit of society
- encourage individual and group involvement in achieving goals.
- promote greater understanding between youth and adults
- prepare for the multiple roles of men and women in today's society
- center family as main focus

## Definition: FCCLA is

a great experience which teaches leadership. Young men and women involve themselves to learn many different aspects of life and different aspects of family consumer sciences outside of the classroom.

FCCLA

Emily McMillan
