FAMILY FEUD GAME--ONE RESPONSE ONLY

DIRECTIONS: Play "Family Feud" with the following questions. Ask the class the following questions one day before playing the game. Tally and record the top five answers for each questions.

1. What should you do in case of fire?
2. List a reason a baby may be crying.
3. List an activity that a pre-school child would enjoy doing with you. (not TV)
4. List something you should do when you tell a child a story.
5. If you are baby-sitting, what is something you should write down before the parents leave?
6. List a safety rule that should be observed while you are caring for children.
7. What should you do in case a child will not stay in bed at bedtime?
8. Name a nutritious snack for a child.
9. Name a food that is not safe for a child under three.
10. List a toy that would be suitable for a child under three.
11. List a toy that would be suitable for a child aged 3-6.
12. Name the best first aid treatment for a burn.
13. Name something you should do if a child is crying.
14. List a way to childproof a home for a pre-school child.
15. List a responsibility that a caregiver has while on the job.
16. List a kind of toy that is not safe for a child aged 0-3.
17. List a typical action (or a trait) of a child aged 2-5.
18. Name an emergency number that a caregiver should have handy.
19. What should you do in case a child were to swallow something poisonous?
20. List a trait that a good caregiver would have.
