

SEWING-----INDIVIDUALIZED ACTIVITY

Name _____ Class _____

THE PATTERN GUIDESHEET

Using your pattern guide sheet, complete the following steps:

1. Read the basic information. What did you learn?
2. Circle the layout for the view you are making.
3. Make a list of the numbers of the pattern pieces you will need.
4. Cut out the pattern pieces you will be using.
5. Pin the pattern pieces onto the fabric, the way your guidesheet instructs you.
6. Have your teacher check your pattern layout.
7. Cut out your pattern pieces.
8. Mark all necessary pattern markings onto your fabric.
9. Read your guidesheet and follow the directions to complete your project.

Name _____ Class _____

HOME PROJECT

Using a guide sheet, and following the steps we completed in class, make a project at home. Attach the pattern, guidesheet and finished project to this sheet.

Using your pattern guide sheet, complete the following steps:

1. Read the basic information. What did you learn?
2. Circle the layout for the view you are making.
3. Make a list of the numbers of the pattern pieces you will need.
4. Cut out the pattern pieces you will be using.
5. Pin the pattern pieces onto the fabric, the way your guidesheet instructs you.
6. Have your teacher check your pattern layout.
7. Cut out your pattern pieces.
8. Mark all necessary pattern markings onto your fabric.
9. Read your guidesheet and follow the directions to complete your project.
