Resource for Pre-assessment

FIBER PICTURE QUIZ

Name _____ Period ____ Assign #

DIRECTIONS: Use your imagination and draw what you think would be an illustrative answer to the questions. You will not be sharing this with anyone else.

1. Draw three foods that are high in fiber.

2. Draw a grain of wheat.

3. Draw a simple diagram of the human body and shade in the percentage you think is made up of water.

4. Draw a simple diagram of what the body would look like if it did not have any water in it.
