

IP VCR access instructions

Viewing via Tandberg 990 Codex:

This process is for units that are updated and registered with the UEN gatekeeper. Units that are registered have been assigned a four digit alias number. If you are not sure whether your unit is registered, please contact the UEN Video Operations Center (VOC) at 800-863-3496.

STEPS		PROCEDURE
<p>Place a call to alias: UEN “7502” UVU “7992” USU “7000”</p> <p>NOTE: USU and UVU require a password to access classes. Contact the class instructor for this password.</p>		<ul style="list-style-type: none"> ▪ Using the Tandberg remote, press the green “Make a call” button. ▪ Dial in the IP VCR alias ▪ Push the green “Make a call” button again to place the call. <p>This connects you to the IP VCR interface which lists the recordings available for viewing. The recordings are listed alphabetically by course name.</p>
<p>Select “Far camera control” on the Tandberg.</p>		<ul style="list-style-type: none"> ▪ Using the Tandberg remote, push the “Menu/OK” button. ▪ Arrow over to the “Camera Control” menu and press OK. ▪ Arrow up to the tabs and arrow over to the “Far End” tab. ▪ Press “OK” and then the “Cancel” button. ▪ Select “No” to the question “Do you want to cancel far end camera control?”

<p>Navigate through the menu using the arrows to select the course you would like to view.</p>		<ul style="list-style-type: none"> ▪ Use the down arrow ↓ to scroll down through the course titles. ▪ Use the up arrow ↑ to move up the list. ▪ Use the right arrow → to select the highlighted course.
<p>Select the session you wish to view</p>		<p>Using the arrows as listed above, select the session you would like to view. Once the session is highlighted it will begin playing in a small screen. Selecting the session using the right arrow → will play it at full screen.</p>
<p>PLAY, FF, REW, PAUSE</p>		<p>While the session is playing you can control the playback using the arrows.</p> <ul style="list-style-type: none"> ▪ Right arrow → fast forwards through the recording. ▪ Left arrow ← rewinds the recording. ▪ Up arrow ↑ plays the recording. ▪ Down arrow ↓ pauses the recording.
<p>Stop viewing the recording, view it again, or view another recording.</p>		<ul style="list-style-type: none"> ▪ You must disconnect the call. ▪ Press the red “Hang up” button on the Tandberg remote. <p>NOTE: In order to watch the recording again or view another recording you will repeat the entire process by reconnecting to the IP VCR interface.</p>
