

UEN IVC FEE SCHEDULE

UEN offers IVC services from 5:00 am to 11: 00 pm M-F. There are limited services offered on the weekends.

Based upon the UEN mission statement, we offer our IVC services to educational and government based groups and agencies serving Utah schools and communities.

UEN does not impose charges for meetings or classes held on the network. The only charges that could be imposed are for payments for required facilitators as requested by the origination site and receive sites. UEN collects the fee from the sponsor and distributes it back to each of the receive sites so that local facilitators will be paid.

The standard rate is \$13.50 per hour per site for all participants. UEN rounds up to the nearest hour. The rate will increase to \$15.50 per hour in 2010.

Please call the Logistics group for more information or to request an event.
