Background for Teachers

Teachers should have an understanding of dating behaviors and have some personal examples and stories to share with the students.

Student Prior Knowledge

Students should know about dating behaviors and how they feel about these behaviors.

Intended Learning Outcomes

To get students excited about dating and let them know that dating is important in life. They will also learn the positive and negative aspects of dating behaviors and the values that are associated with those behaviors. The students will be able to determine which behaviors fit their values and lifestyles.

Instructional Procedures

Journal, Text, Activities, Unit Notes and Discussion. I have included my lesson plans as an attachment. This lesson plan is developed for a 90 minute class. Please delete or add activities and information to fit your time frame.

Extensions

You may want to play some video clips showing different dating behaviors and talk about what value is associated with each behavior.
