

WP II - Tables

Summary

At the end of the Auto Tables unit in Word Processing, have students use their skills to design unique Bingo-style boards using the terms provided. The fall activity is Scary Table (for Halloween time). The spring activity is Chair Table (with use of foreign language terms).

Time Frame

2 class periods of 70 minutes each

Instructional Procedures

At the end of the Auto Tables unit in Word Processing, have students use their skills to design unique Bingo-style boards using the terms provided. The fall activity is Scary Table (for Halloween time). The spring activity is Chair Table (with use of foreign language terms).

Create a Scary Table or Chair Table (or more than one if time allows) as a class activity. Play along with the class to cover squares on your table as teacher calls out words. Shout SCARY or CHAIR if you win!
