

Smart Board Review Game

Summary

Students with a preference for bodily/kinesthetic intelligence will participate in a review of concepts in game form using Smart technology. Students will answer review questions in teams.

Time Frame

1 class periods of 30 minutes each

Group Size

Large Groups

Life Skills

Thinking & Reasoning, Communication

Materials

Soft foam or koosh ball Smart interactive whiteboard Review questions pre-loaded

Instructional Procedures

Using the Smart software, create your review questions making hotspots. You could also use a jeopardy PowerPoint template. Once the review is completed, divide students into teams. Each team will take turns in throwing the koosh ball or foam ball at the Smart board to hit a hotspot and answer a review question.
