## Student Prior Knowledge

Students will have completed lessons on feelings and lessons about themselves.

Students need to be aware of their own feelings and what causes them. They would have learned this in prior lessons.

## Intended Learning Outcomes

Students will be able to express their feelings and show an understanding of how they and their actions due to their feelings can effect others.

## Instructional Procedures

Students will use feelings template to draw out their power point story boards

Students will then have their story boards checked by teacher before going on computer to produce power point slides

After slides are done students may add transitions, animation and music to complete their slide
