Main Core Tie

Mathematics Kindergarten

[Strand: GEOMETRY \(K.G\) Standard K.G.2](#)

Time Frame

1 class periods of 30 minutes each

Group Size

Small Groups

Life Skills

Thinking & Reasoning

Materials

Resources and equipment needed for this lesson include:

plastic shapes

smartboard

Student Prior Knowledge

This is a Kindergarten lesson on shapes, so no prior knowledge is necessary.

Intended Learning Outcomes

By the end of the lesson, students should know the names and properties of circles, squares, rectangles, triangles, ovals, and stars.

Instructional Procedures

I DO: The teacher goes over the names and properties of the shapes using large plastic shapes.

WE DO: Using the Lucid Press site, Shapes, the class practices the names and properties of the shapes together.

YOU DO: Each student will individually do a cut and paste worksheet matching different shapes to their names.

Assessment Plan

The cut and paste worksheet will act as an assessment.
