

Use Vocabulary to Tell the Rock Cycle Story

Summary

Student will fill in the blanks of the story using vocabulary words from the Utah State Core.

Time Frame

1 class periods of 45 minutes each

Group Size

Individual

Materials

- [student worksheet](#)
(attached) per student

Instructional Procedures

If this is an introductory activity, you may wish to put the words to fill in the blanks on the board or an overhead. If students have had an opportunity to learn about the rock cycle, they should try to fill in the worksheet without the list for at least the first part of class.

bands
volcano
weathering
minerals
pores
sedimentary
magma
metamorphic
igneous
deposited
lava
sediments
eroding
cement
hot
pressure

The rock cycle on the next page gives the student additional practice using the terms
