

# Program Models

## Summary

Lesson on different philosophies and the programs established for each.

## Time Frame

1 class periods of 45 minutes each

## Group Size

Large Groups

## Life Skills

Thinking & Reasoning

## Materials

Power point projector or notes from lesson plan, worksheet for each student. Good videos on this subject offered by Davidson Films (916-753-9604) or <http://davidsonfilms.com/>

## Background for Teachers

It would be helpful to read the text on Program models.

## Student Prior Knowledge

Helpful to have worked in child care or visited a number of different kinds of daycares.

## Intended Learning Outcomes

Students will understand the differences of the three different philosophies and the types of child care establishments that reflect these philosophies.

## Instructional Procedures

Power point presentation to be accompanied with Program Model work paper. Follow up with visits to a preschool of each of the different models. Evaluate each.

## Assessment Plan

Successful completion of notes sheet and evaluation sheet on each center visited.
