## Licensing:

Soundzabound Music files may be loaded to any number of machines, computers and digital music players so long as it is the property or personal possession of a student, teacher or administrator of the licensed school entity.

Educators may also duplicate and sell their finished products for profit which contain Soundzabound Music, so long as it is within their educational realm, and not for personal or business profit and purposes. (For example, a school may make a video using Soundzabound Music, duplicate the video and sell to parents for a school profit). This licensing capability is what makes Soundzabound the most reliable royalty free music for education.

Licensing forbids the sharing of purchased music files with non-purchasing sites, students, teachers, administrators, individuals or other school entities.
