Second Grade: Opinion Writing
Prompt: Is it important to be responsible at school and in your community?

Joseph

Yes! I think responsibility is important. It's good for the environment. It's also good to help at school because it will help everyone. Your responsibility is important to everyone. If you have chores to do then because your parent or anyone else is counting on you, that's why I think it is important to be responsible.

I also think it is important because if you don't do the chores and you did not do them, your parent might get mad and you don't want that to happen.

Prompt: Is it important to be responsible at school and in your community?

Mackenzie

Is it important to be responsible at school and in your community? Yes, it is because when I help other people, they say, "Thank you." Mackenzie. When you are responsible, you are reliable. People can count on you. You don't blame others, you apologize. You can help your parents, make dinner. Being responsible means listening in class. It also means following the rules. You can be responsible by volunteering. Maybe you could help collect clothing and food for people in need. Another way to be responsible is to help out in your neighborhood or can shovel snow for an older neighbor. When you are responsible, people know they can count on you. They know they can count on you to do what you have promised. Being responsible is good. Mackenzie.

for you. It is also good for all the people around you.
This is what it means to be responsible. Being responsible means not to do things like helping your neighbor or washing the dishes. You listen in class and finish your assignments on time. You can even follow the school rules. You can also take care of the world for example clean up bottle caps, paper scraps and candy scraps. That is what it means to be responsible! It's nice to be responsible because people trust you. People give you surprises! Everyone plays a part on making the world a better place! You can be responsible by caring about your environment. It's nice to be responsible!

Prompt: Is it important to be responsible at school and in your community?

It is important to be responsible in school and your community. You should always follow the rules in school. You should also keep your classroom clean so other people don't have to clean up after you. Don't hurt other people at recess. And don't tell on other people if they didn't do it. That's how you can be responsible at school.

Here are some ways you can be responsible at home. You can feed your pets so other people don't have to do it. You can help your parents make dinner. You can also take out the garbage. If you break something, you should admit it. Those are ways you can be responsible at home.

Prompt: Is it important to be responsible at school and in your community?

Responsibility is important because you have to do a lot of things. You need to help people if they need help and it takes a lot of work. I think taking out the trash is important because you are sure that no animals don't make it all mess so make sure you are responsible and clean the earth. Yes! Responsibility is very good.
It is important to be responsible in school and in your community. If you did not pick up trash on the ground, then it would all stay. If you are not being good in school, then it would be really crazy! If you are being responsible in school, then you will get to do the fun things in school. If you are responsible, then you get rewarded.

Prompt: Is it important to be responsible at school and in your community?

Being Responsible Is...
- Listening at school
- Picking up litter (unless it’s a porcini mushroom)
- Taking out the trash
- Telling on your self when you do a thing wrong
- Keeping promises
- Apologizing when forgotten something
And that is how you be responsible.
