

Find Someone Who...

...can name this shelter,
the region where it was
found and explain why it
was found there.

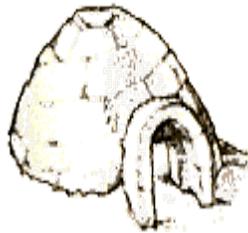

...can explain to you
different roles people in
a specific tribe had.

...can name a group of
people we studied, tell
you what type of
transportation they used
and why they used this
way of transportation.

...can explain to you why
different groups of
people ate different
kinds of food depending
on where they lived.

...can name this shelter,
the region where it was
found and explain why it
was found there.

...can tell you an
interesting fact about
one of the groups we
studied.

...can tell you an interesting fact about one of the groups we studied.

...can tell you the name of a group we studied, what they ate, and why they ate what they did.

...can name this shelter, the region where it was found and explain why it was found there.
