|--|--|
| <p>1. Measure to make sure main piece of fabric is 27 inches long and 44 inches wide. (For a regular size pillowcase.)<br/>Measure to make sure contrast fabric is 12 inches long and 44 inches wide (or exact same width as the main fabric).</p>   |  |
| <p>2. Fold main fabric so the selvage edges are matching and right sides (the printed side) are facing each other. Start at the top and sew side seam <math>\frac{5}{8}</math> inch from the edge.<br/>Backstitch at the beginning.<br/>Pivot at corner and continue sewing to the edge (or fold) of fabric. Backstitch.</p> |  |
| <p>3. Zig Zag or serge raw edges starting from top and along bottom seam edge.</p>   |  |
| <p>4. Fold contrast fabric so selvage edges are matching and right sides are facing each other.</p>  |  |
| <p>5. Sew <math>\frac{5}{8}</math> from edge backstitching at beginning and end.</p>   |  |
| <p>6. Iron seam open</p>   |  |

|  |   |
|--|---|
| <p>7. Turn raw edge down to match other raw edge making sure the seam lines match. Pin together. It should look like a circular tube.</p>  |    |
| <p>8. Baste (using the longest stitch) edges together all the way around <math>\frac{1}{4}</math> inch from edge. Use the side of your presser foot as a guide along the edge of the fabric. Make sure you DO NOT SEW OVER PINS.</p> |    |
| <p>9. Turn main part of pillowcase right side out.</p>   |    |
| <p>10. Pin raw edges of top contrast to main part of pillowcase. Match side seams.</p>   |   |
| <p>11. Sew together all the way around <math>\frac{5}{8}</math> from the edge backstitching when you start and end.</p>  |  |
| <p>12. Zig Zag or serge the raw edges all the way around.</p>  |  |
| <p>13. Iron it so it looks nice. Turn pillowcase inside out. Give yourself a grade on the grading sheet and put inside pillowcase, fold nicely and turn in! LOOKS GREAT!!</p>  |  |
